What is a *Class Group*?

A Class Group is a set of scheduled classes (e.g. lectures, practicals, tutorials) with a fixed weekly timetable.

- » Each group has set days and times for all activities across the relevant units.
- » When you select a Class Group for a unit, you're automatically enrolled in all associated sessions — there's no need to choose individual class or practical times.

Class Group Benefits

- » Your classes are held at the same campus each day
- » Your class times don't clash with placements
- » This structure helps you connect classroom learning with practical experience

How it works

The system tracks your Class Group registration to ensure consistency.

- » If your unit registrations don't align with a single Class Group, the system will automatically move you into the group with the most available space.
- » For the Bachelor of Nursing, you must register in the same Class Group across all your units within a year level. If you don't, your registration will be adjusted to place you into a consistent group across your units.

Before You Register

- » Review all group options – each has different days and times.
- » Make sure your chosen group has space in all your enrolled units.
- » If one class in the group is full, check other groups to find one with space in all required classes and practical.

Timetable code explained

- » A Timetable Code is a unique label, it includes the following details: course code, year level, location/campus, teaching period and group number e.g. **BA-NUR Year 1 Hawthorn Sem 1 Group 1**

Note

- » *Timetable is subject to change. Please refer to the [Timetable Planner webpage](#) for the most up-to-date information. If you have already registered, log in to My Swinburne and check the [My Class Timetable](#)*
- » If you see a “**Waitlist**” option, please ignore it — waitlists are not available. This message appears due to a system error.

Class Group Registration

Bachelor of Nursing

The importance of selecting a Class Group

The Bachelor of Nursing timetable has been organised into grouped schedules. Each student must choose one specific group of classes from among multiple options to be registered.

The grouped timetable is designed to accommodate scheduling for placements, and set days at a single campus. Failure to adhere strictly to the allocated group timetable may result in conflicts with your placement schedule, and travel to multiple campuses on a single day.

The university reserves the right to amend class registration for any student who does not adhere to the grouped schedule.

Search for the Group timetables

1. Go to the [Timetable website](#)
2. Select **Courses**
3. Go to the **Refine** field and use the following guide to determine what timetable code to enter:

Course Code	BA-NUR
Year	Choose the year based on when you commenced the course e.g. 1st year students are Year 1
Campus	Choose the Campus based on what campus you were admitted into for your course

- Type in the **timetable code** based on the code guide above. Examples of this code :
 1st year student admitted into the Hawthorn campus version of the course = BA-NUR Year 1 Hawthorn
 2nd year student admitted into the Wantirna campus version of the course = BA-NUR Year 2 Wantirna

4. Click **Filter**
5. Select all listed groups by using the **Mouse + Shift key**
6. Click **View Timetable**

The screenshot shows the Swinburne Timetable website interface. The browser address bar shows the URL: splusweb.swin.edu.au/timetable2024/default.aspx. The page has a navigation menu with links like 'STUDY WITH US', 'RESEARCH', 'BUSINESS & PARTNERSHIPS', 'NEWS', and 'EVENTS'. A sidebar on the left contains links such as 'How to enrol', 'Planning your course structure', and 'Timetable planner'. The main content area is titled 'Course Timetables' and includes a 'Refine your search by typing all or part of the Course name' field. A red box labeled '1' highlights the search field. A red box labeled '2' highlights the 'Courses' link in the left sidebar. A red box labeled '3' highlights the search input field containing 'ba-nur Year 1 Hawthorn'. A red box labeled '4' highlights the 'Filter' button. A red box labeled '5' highlights the list of course groups, with a red arrow pointing to the first item 'BA-NUR Year 1 Hawthorn Sem 2 Group 1'. A red box labeled '6' highlights the 'View Timetable' button at the bottom. A red callout box with the text 'Select all options by using the mouse + Shift key' points to the list of course groups.

Review all Group schedules and choose a Group Number

1. This is a scrollable page that outlines each Group Schedule. Review and choose the group number that suits
2. You can **sort** the schedule into day order by clicking on the **Day** header to see when you're required on campus
3. Any classes that are at **Wantirna Campus** will have a prefix of **"W"** for the Location name. All other prefixes indicate a Hawthorn Campus activity
4. The **Teaching Week** column indicates the teaching pattern for each activity. You can click on the blue hyperlinks to view the corresponding dates. NOTE: some activities do not run every week

Choose your Group Schedule

Register into the activity number that reflects the Group Schedule you chose.

For Example: if you chose the Group 1 schedule then find the matching activity from the timetable

1. Click **Register** against the activity number that reflects your chosen Group Schedule Activity
2. Click the **Back Arrow** to return to My Class Registrations and register into all remaining activities

The screenshot shows the 'Class Registration' page for 'NUR10004 - Ethics and Law in Health Care'. It displays three class options (Class 1 - 1, Class 1 - 2, Class 1 - 3) with their respective schedules and a 'Register' button. A red box highlights the 'Register' button, and a red arrow points to the 'Back Arrow' button. A red box also highlights the 'NUR10004_1_HS2_WAN_1' unit activity in the 'Unit Activity in Class Registration' table.

Match the final 6 characters in the Group Schedule to the Unit Activity in Class Registration

Matching Streamed Activities

Streamed activities combine multiple activities into one fixed schedule.

To select the correct Stream, you need to match the final 6 characters in the Group Schedule to the Unit Activity in the **Class Registration**. Be aware that sometimes the Stream Number doesn't match up. There's an example below

CL = Class, LA = LAB, PR = Practical

The screenshot shows the 'Class Registration' page for 'NUR10005 - Foundations of Nursing'. It displays three stream options (Stream 1 - CL1, PR1, PR2, PR3; Stream 2 - CL1, PR1, PR2, PR3; Stream 3 - CL1, PR1, PR2, PR3) with their respective schedules and a 'Register' button. A red box highlights the 'Register' button, and a red arrow points to the 'Back Arrow' button. A red box also highlights the 'NUR10005_1_HS2_WAN_1' unit activity in the 'Unit Activity in Class Registration' table.

Match the final 6 characters in the Group Schedule to the Unit Activity in Class Registration

Review weekly schedule in My Calendar

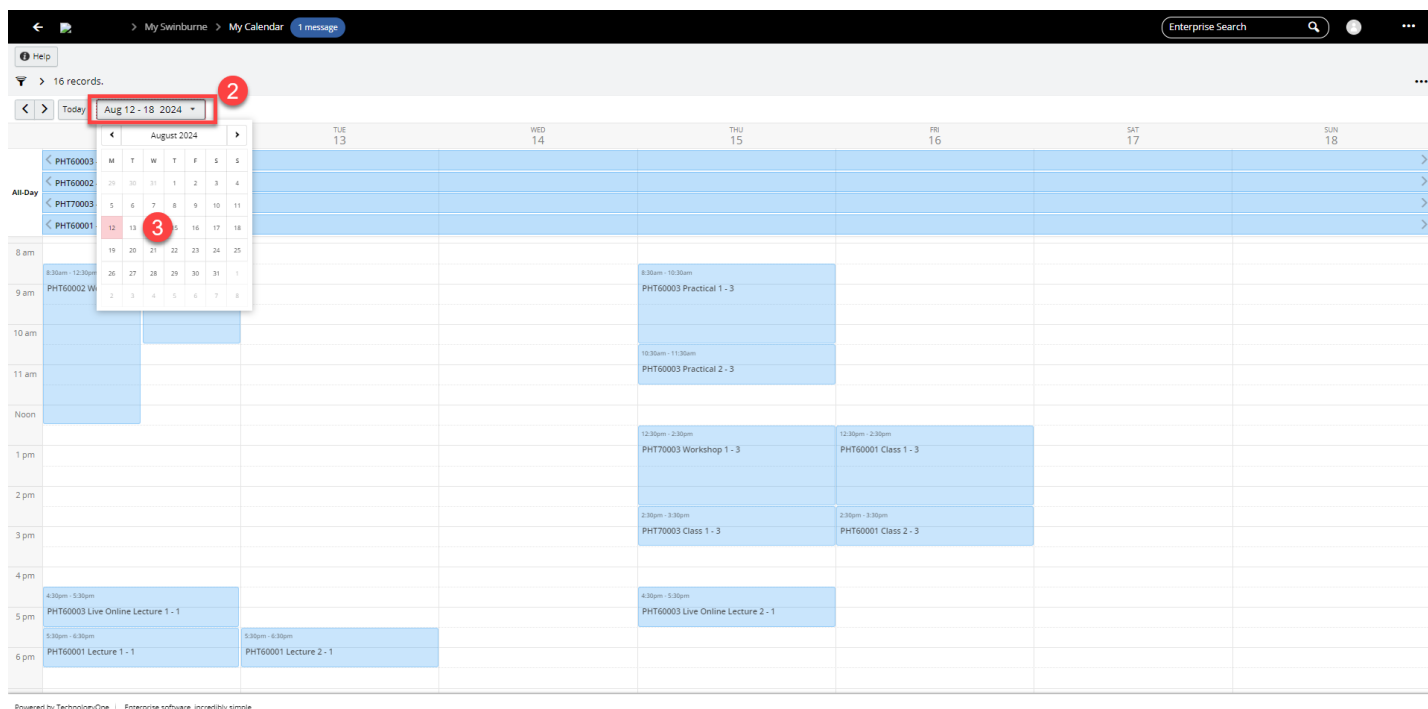

You can review your weekly schedule once you have registered into all classes. NOTE: it will take an hour after registering for this data to appear in your Calendar

1. Return to your Student Portal Dashboard, and **click** on the **My Calendar** tile

Review weekly schedule in My Calendar (continued)

2. Click into the **Date Range**
3. Select a week to review by **clicking** on a **specific date**

NOTE: Timetable is subject to change

To ensure you are viewing the most up-to-date timetable, we recommend you refer back to the **Timetable website** as provided above, OR, once you have registered into classes, refer to the **My Calendar** tile in your **Student Portal**.

Payments Due and Census Date

Some units fall outside of normal Census dates. The Census date is the last day you can withdraw from a unit without being liable for any fees that relate to that unit or course.

1. Upcoming fees will add a notification to the **My Finances** tile

The screenshot shows the My Swinburne dashboard with five main tiles: My Details, My Applications, My Study, My Tasks, and My Finances. The My Finances tile is highlighted with a red box and a red circle with the number 1. Inside the My Finances tile, the 'View my finances' link is highlighted with a red box and a red circle with the number 2. The My Finances tile also shows a balance of \$52.60 Awaiting payment.

Payments Due and Census Date (Continued)

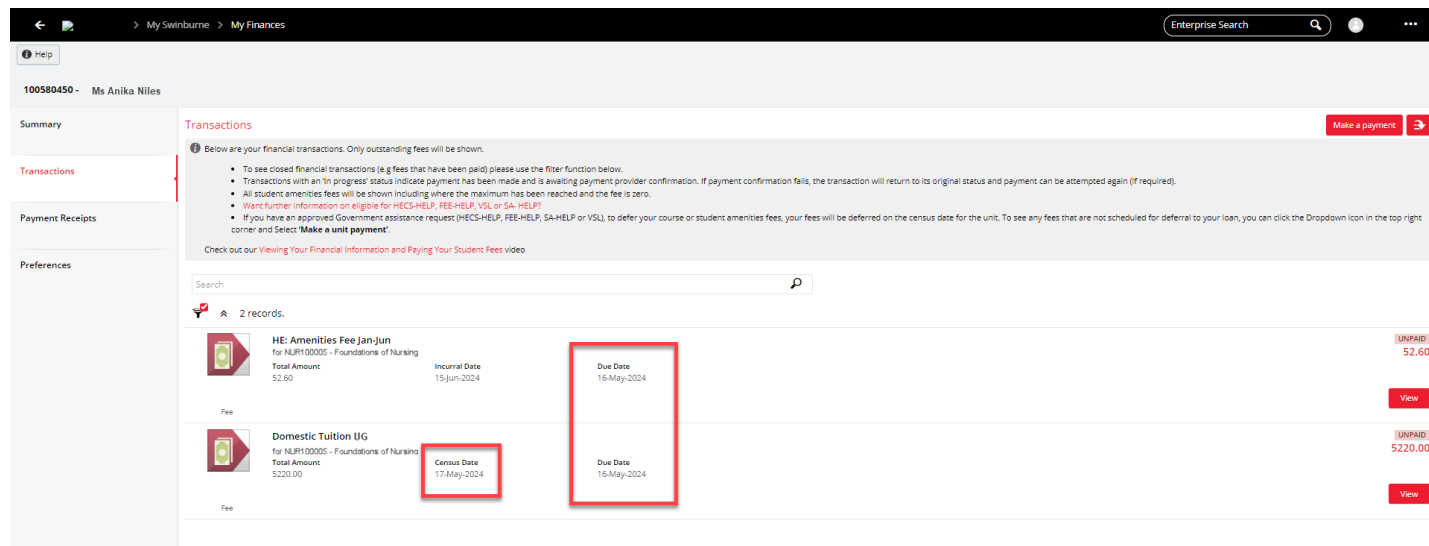

2. The amount owing will display in the **Upcoming Fees** section
3. Click the **Transactions** tab

The screenshot shows the My Swinburne My Finances page. The Transactions tab is selected and highlighted with a red box and a red circle with the number 3. The Upcoming Fees section is highlighted with a red box and a red circle with the number 2. The page displays a total outstanding amount of \$52.60, a breakdown of fees (Overdue, Upcoming, Deferrable), and a table of Government Assistance Form (GAF) details.
